

# Lung Cancer Screening Saves

Lung cancer screening has saved many lives. It is covered by several insurance plans, including Medicare. The test is safe, easy, and offered at convenient locations across Chicagoland. UChicago AdventHealth offers CT lung cancer screening for just \$99 at time of service for patients who qualify. Physician, Physician Assistant, or Nurse Practitioner order is required.

**Please discuss CT lung cancer screening with your provider today.**

**American Cancer Society Screening Guidelines (January 2024):**

- Current or former smoker (Medicare Criteria: must have quit within the last 15 years)
- Smoking history of at least 20 pack years (Count your pack years by multiplying the number of packs smoked per day by the number of years smoked. A pack equals 20 cigarettes.)
- Age 50–80 (Medicare Criteria: Age 55–77)
