

Lung Cancer Screening Saves Lives

Lung cancer screening has saved many lives. The test is safe, easy and covered by several insurance plans, including Medicare. UChicago Medicine AdventHealth offers CT lung cancer screening for just \$99 for patients who qualify. We have several convenient locations. A provider order is required.

Please discuss CT lung cancer screening with your provider today.

American Cancer Society Screening Guidelines:

- Current or former smoker (Medicare Criteria: must have quit within the last 15 years)
- Smoking history of at least 20 pack years (Count your pack years by multiplying the number of packs smoked per day by the number of years smoked. A pack equals 20 cigarettes.)
- Age 50–80 (Medicare Criteria: Age 55–77)

To schedule a CT Lung Cancer Screening, call 630-359-8179
